 - (c) any prescriptions of the national authority that will apply will be posted on the official notice board.
- 1.2 An IJ will be appointed, in accordance with RRS Appendix N, and the right of appeal will be denied in accordance with RRS 70.5.
- 1.3 Boats may be required to race with on-board observers to give information to the umpires. Observers will be weight- equalised by fixing weights near the stern. Observers will not take part in sailing the boat or communicate with the crew while racing.
- 1.4 Add to RRS 41: (e) help to recover from the water and return on board a crew member, provided the return on board is at the approximate location of the recovery.

- 1.7 When the umpires proceed under RRS C8.6 they will follow the guidance in SI Addendum E.
- 1.8 RRS 31 is changed to "While racing neither the crew nor any part of a boat's hull shall touch a starting mark before starting, a mark that begins, bounds or ends the leg of the course on which she is sailing or a finishing mark after finishing. In addition, while racing a boat shall not touch a race committee vessel that is also a mark".
- 1.9 If the first boat has finished and the second boat in the match has a penalty outstanding, the umpires may signal in accordance with C5.5 that the outstanding penalty is now completed and remove the corresponding flag. Once it has finished, the second boat may then be scored with a loss without the requirement of completing a penalty before finishing. This changes RRS C7.2(d) and RRS C7.4.
- 1.10 Delete RRS 40 and replace with: All competitors shall wear personal flotation devices while afloat. Except briefly while changing or adjusting clothing or personal equipment. Wet suits and dry suits are not personal flotation devices.

SI ADDENDUM E – DAMAGE PENALTIES

Match Racing Penalties for Damage resulting from contact between boats

Appendix C6.6 and C8.6 permits the umpires or protest committee to decide the penalty when a boat breaks RRS 14. This document explains how damage will be assessed and gives general guidance on the appropriate penalty. When the protest committee has good reasons to do so, it may apply a different penalty.

Damage will be divided into 3 levels as shown in the following table:

Level	Extent	Effect
Level A - Minor Damage	Does not significantly affect the value, general appearance or normal operation of the boat.	Boat may race without repair although some minor surface work may be required after the event. Repairs should not normally require more than 1 hour of work.
Level B - Damage	Affects the value and/or general appearance of the boat	The damage does not affect the normal operation of the boat in that race but may need some (temporary) work before racing again. Requires more than 1 hour of work but should not normally require more than 3 hours of work.
Level C - Major Damage	The normal operation of the boat is compromised and its structural integrity may be impaired.	The boat will need some repair work before racing again. Requires more than 3 hours of work.

Point Penalties - to be applied without a hearing (this amends RRS C8.6);

Level	Round Robin	Knock Out
A	None	None
B	Half point	Three quarters of a point
C	One point	One point

When both boats break RRS 14, they should both receive a points penalty. If a competitor requests a hearing when a points penalty is imposed, the protest committee may decide (in the hearing) to give a greater penalty.

Deductions from Damage Deposits

The assessment of damage level is only for the purpose of points penalties, and is not linked to any deductions from the competitor's damage deposits.

Any points penalty will be based on the assessment of damage level made on the water. Subsequent assessments of the damage level after closer inspection, whether the level turns out to be higher or lower, will have no effect on the points penalty given on the water.

SI ADDENDUM F – COURSE LIMITS (TBD)
